# January 2022 Summary Report

## Month Overview

In February 2022, DHS released \$34,008,628.65 in excess ERAP1 funds across 19 counties that projected a shortfall in their ERAP1 funding. DHS expects to complete another ERAP1 reallocation in the coming months to ensure ERAP1 funds will be spent by the federal deadline of September 30, 2022.

ERAP2 funds continue to be spent with 36 counties approving 2,469 ERAP2 applications. The ERAP2 total allocation amounts in this report reflect the total amounts of ERAP2 and ERAP2 high needs distributed as of February 2022.

DHS engaged Guidehouse to provide consultation and program administration support. Technical assistance is available to counties to support best practices, training, and program administration to ensure funding is distributed to eligible Pennsylvania citizens.

## Total to Date

**\$409,268,296**  
Total monies paid in  
ERAP1 and ERAP2

**103,883**  
Households assisted

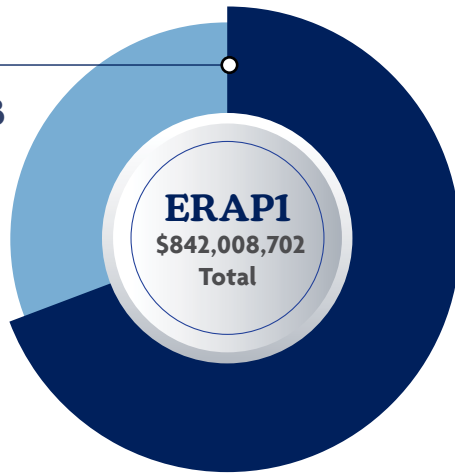

Counties have spent a total of \$409,268,295.96 in DHS-allocated ERAP funds to provide 103,883 households with rental assistance and/or housing stability services who have been impacted due to or during the COVID-19 pandemic (ERAP1 and ERAP2 combined).

**NOTE:** 1) The number of pending applications continues to grow. Counties have processed between 10,000 to 12,000 applications a month consistently since June 2021. Larger counties, which receive the highest number of applications, are working to fiscally balance the program through multiple funding streams. These counties maintain ERAP1 and ERAP2 funds from both PA DHS and direct federal allocations.

## Technical Assistance Overview

DHS expanded its capacity to provide training and technical assistance for counties in administering ERAP, at no expense to counties. In February, DHS provided training on best practices implemented by emergency rental assistance programs across the country. Training was attended by 41 county contacts and Commissioners.

DHS also began developing one-on-one county support and a second training available to all counties and their providers on fraud prevention and detection and bulk utilities payments. Additional technical assistance and training in development included reporting guidance, fact-specific proxy and categorical eligibility implementation, and considerations for program off-ramping.

Regularly scheduled touchpoint calls in February featured the following agenda items:

- Eligibility criteria on establishing financial hardship
- Self-attestation of hardship
- Reporting when ERAP1 funds exhausted
- Approval for fraud investigation referrals to the Office of State Inspector General
- Introduction to Guidehouse
- Documenting processes in writing
- ERAP1 administrative costs
- Enhancements to COMPASS provider dashboard
- County fraud recovery process

## Stakeholder Outreach

---

Special Assistant to the Secretary Stephanie Meyer joined the Office of Mental Health and Substance Abuse Services Quarterly Housing meeting, and highlighted opportunities for county and provider partners across the state to connect individuals to ERAP, the Pennsylvania Homeowner Assistance Fund Program, and other resources for housing and utility assistance. Information was shared out with over 150 invitees and attendees.

## External Communications

---

The DHS ERAP website saw 70,067 page views with an average time on page of 3:00. The DHS ERAP website is updated to inform applicants if the county is no longer accepting applications due to overwhelming demand and lack of remaining funds. The DHS ERAP website continues to be a valuable tool for Pennsylvanians who have questions regarding ERAP.

## Reporting Update

---

DHS is dedicated to reporting the best possible data for ERAP. As new data is reported to DHS, this report will evolve to ensure new data is incorporated to create the best overall picture of where the program stands. This month, you will see fiscal adjustments to allocation amounts and remaining balances as ERAP1 funds were recouped from counties and reallocated to other counties. Additionally, ERAP2 high needs funds distributed in January and February are also captured in this report. The result of this change is the ability to see the actual funding adjustments that have been incorporated to provide additional assistance to areas where the need is overwhelming. Additionally, corrections to data previously reported from the counties have been made to reflect a more accurate view of actual spending.

## Background

The Department of Human Services (DHS) is pleased to submit this report, as required by Act 2021-1, Article I-D of the Fiscal Code, 72 P.S. §103-D (a)(7.1) and (8):

Powers and duties.--The department shall have the power and duty to: prepare a monthly consolidated report with information from all counties submitted under section 104-D(4) and shall submit the report on a monthly basis to the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives. The report shall also be posted and maintained on the department's publicly accessible Internet website.

The report shall include the following information:

- (i) The total amount of funds received by a county.
- (ii) The total amount of funds spent by a county for services under section 102-D(a).
- (iii) The total amount of excess funding or shortfall identified by a county as of September 20, 2022.
- (iv) The total number of households that applied for assistance.
- (v) The total number of households that received assistance.
- (vi) The total amount of funding sought by services under section 102-D(a).
- (vii) The total amount of assistance provided by services under section 102-D(a).
- (viii) An itemization of all expenditures for administrative costs.

Act 1 of 2021 authorized DHS to implement the Emergency Rental Assistance Program (ERAP1). The federal Consolidated Appropriations Act of 2021, (Pub. L. 116-260) allocated \$569,807,659.70 directly to Pennsylvania to assist those affected by COVID-19 by providing funding for certain past, current and future rental and utility expenses. Of that allocation, the Pennsylvania General Assembly appropriated \$5,698,076.60 to be used by DHS for administrative costs. Funding was allocated to all counties based on percentage of population minus any direct federal allocation per Section 102-D(c) of the Act. (See Table 2 for allocations and expended/remaining funds as of September 30, 2021). A maximum of 9.09 percent of each county's allocated ERAP1 funds may be used for the combined costs of administration and housing stability services. Eighteen counties and one city received a separate allocation directly from the United States Treasury in addition to the funding allocated to them in accordance with Act 1 of 2021.

DHS officially launched ERAP1 on March 15, 2021, though not all counties were operational on that date. All counties, however, were operational and accepting applications as of March 29, 2021. (See Table 1 for application data).

PA Act 24 of 2021 amended some ERAP1 program rules, and further gives DHS authority to administer funds allocated under the federal American Rescue Plan Act of 2021 (Pub.L.117.2) Section 3201 (b) which allocated \$500,166,870.00 to Pennsylvania. These funds are referred to as ERAP2.

The total allocation amounts used in Table 4 total ERAP2 Funds column are inclusive of the high-needs funds. Initial ERAP2 allocations were released in September 2021 with subsequent disbursements made in January and February 2022. Table 3 reflects the total number of applications under ERAP2.

### **Definitions**

DHS uses the following definitions in this report:

- Rental Assistance - includes assistance for rent arrears, current rent, future rent, and utilities included as a part of the rent payment per the rental agreement
- Utility Assistance - includes payment for utilities, utility arrearages and future utility payments not included as a part of the rent
- Other Expenses Related to Housing – includes, but is not limited to, assistance with relocation expenses, rental fees, reasonable late fees, internet for work or home schooling (at county option).
- Housing Stability Services - services provided to coordinate the activities necessary for the client to obtain or retain housing including, but not limited to, case management and other services intended to keep households stably housed

***NOTE: This report reflects emergency rental assistance as implemented with funds allocated per Act 1 of 2021 and Act 24 of 2021 and does not include expenditures of funds received by local municipalities directly from the United States Treasury.***

***All figures below reflect self-reported data by the county as of February 28, 2022 and may reflect the county made corrections for previous months.***
