

EMERGENCY RENTAL ASSISTANCE PROGRAM (ERAP) Monthly REPORT

Department of Human Services

September 2021

Background

The Department of Human Services (DHS) is pleased to submit this report, as required by Act 2021-1, Article I-D of the Fiscal Code, 72 P.S. §103-D (a)(7.1) and (8):

Powers and duties.--The department shall have the power and duty to: prepare a monthly consolidated report with information from all counties submitted under section 104-D(4) and shall submit the report on a monthly basis to the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives. The report shall also be posted and maintained on the department's publicly accessible Internet website.

The report shall include the following information:

- (i) The total amount of funds received by a county.
- (ii) The total amount of funds spent by a county for services under section 102-D(a).
- (iii) The total amount of excess funding or shortfall identified by a county as of September 20, 2022.
- (iv) The total number of households that applied for assistance.
- (v) The total number of households that received assistance.
- (vi) The total amount of funding sought by services under section 102-D(a).
- (vii) The total amount of assistance provided by services under section 102-D(a).
- (viii) An itemization of all expenditures for administrative costs.

Act 1 of 2021 authorized DHS to implement the Emergency Rental Assistance Program (ERAP 1). The federal Consolidated Appropriations Act of 2021, (Pub. L. 116-260) allocated \$569,807,659.70 directly to Pennsylvania to assist those affected by COVID-19 by providing funding for certain past, current and future rental and utility expenses. Of that allocation, the Pennsylvania General Assembly appropriated \$5,698,076.60 to be used by DHS for administrative costs. Funding was allocated to all counties based on percentage of population minus any direct federal allocation per Section 102-D(c) of the Act. (See Table 2 for allocations and expended/remaining funds as of September 30, 2021). A maximum of 9.09 percent of each county's allocated ERAP 1 funds may be used for the combined costs of administration and housing stability services. Eighteen counties and one city received a separate allocation directly from the United States Treasury in addition to the funding allocated to them in accordance with Act 1 of 2021.

DHS officially launched ERAP 1 on March 15, 2021, though not all counties were operational on that date. All counties, however, were operational and accepting applications as of March 29, 2021. (See Table 1 for application data).

Act 24 of 2021 amended some ERAP 1 program rules, and further gives DHS authority to administer funds allocated under Section 3201 (b) of the federal American Rescue Plan Act of 2021 (Pub.L.117.2), which allocated \$450,862,132.80 to Pennsylvania. These funds are referred to as ERAP 2.

The Commonwealth received an initial ERAP 2 payment of 40 percent (\$200,066,748.00) of the total awarded funds (\$631,206,985.92). Of that initial payment, \$180,344,853.12 was provided to the counties, with \$19,721,894.88 assigned for use in serving households described in federal law as high needs. The total allocation amounts listed in Table 4 *Total ERAP 2 Funds* column reflect the funds issued to counties on September 9, 2021 and are inclusive of the high-needs funds. Table 3 reflects the total number of applications under ERAP 2.

Definitions

DHS uses the following definitions in this report:

- Rental Assistance - includes assistance for rent arrears, current rent, future rent, and utilities included as a part of the rent payment per the rental agreement.
- Utility Assistance - includes payment for utilities, utility arrearages and future utility payments not included as a part of the rent.
- Other Expenses Related to Housing - includes but is not limited to assistance with relocation expenses, rental fees, reasonable late fees, internet for work or home schooling (at county option).
- Housing Stability Services - services provided to coordinate the activities necessary for the client to obtain or retain housing including but not limited to case management and other services intended to keep households stably housed

NOTE: This report reflects emergency rental assistance as implemented with funds allocated per Act 1 of 2021 and Act 24 of 2021 and does not include expenditures of funds received by local municipalities directly from the United States Treasury.

All figures below reflect self-reported data by the county as of September 30, 2021 and may reflect corrections the county reported for previous months.
