IMPORTANT INFORMATION FOR CMS-1500 CLAIM FORM COMPLETION

Note #1: If you are submitting handwritten claim forms you must use **blue** or **black** ink.

Note #2: **Font Sizes** — Because of limited field size, either of the following type faces and sizes are recommended for form completion:

- **Times New Roman, 10 point**
- **Arial, 10 Point**

Other fonts may be used, but ensure that all data will fit into the fields, or the claim may not process correctly.

Note #3: When completing the following blocks of the CMS-1500, **do not use decimal points and be sure to enter dollars and cents:**

1. Block 24F (\$Charges)
2. Block 29 (Amount Paid)

If you fail to enter both dollars and cents, your claim may process incorrectly. For example, if your usual charge is sixty-five dollars and you enter 65, your usual charge may be read as .65 cents.

Example #1: When completing Block 24F, enter your usual charge to the general public, without a decimal point. You must include the dollars and cents. If your usual charge is thirty-five dollars, enter:

24F

Example #2: When completing Block 29, you are reporting patient pay assigned by the County Assistance Office (CAO). Enter patient pay as follows, including dollars and cents:
