Audit Guidelines for the
Early Learning Resource Centers

Fiscal Year 2020-2021

EARLY LEARNING RESOURCE CENTERS (ELRC)
Audit Guidelines

All 19 Regional Early Learning Resource Center (ELRC) grantees will use the following audit guidelines for 2020-2021.

Introduction

I. Purpose

These audit guidelines are intended for all legal entities operating the ELRC to ensure:

- Financial operations of the ELRC take place in accordance with federal laws, regulations, and policies.
- Financial operations of the ELRC take place in accordance with Department of Human Services (DHS) Subsidized Child Care Program laws, regulations, and policies.
- Financial operations of the ELRC take place in accordance with DHS Keystone STARS policies.

II. Applicability

These guidelines apply to the audit of DHS funding, provided to ELRC agencies for services rendered, in accordance with grant requirements.

III. General Requirements

Perform audits in accordance with the following:

- 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F – Audit Requirements (Subpart F) (where applicable).
- These ELRC Audit Guidelines.

At a minimum, it is necessary for the auditor to have access to the following documents:

- Pennsylvania Code, Title 55, Chapter 3041 – Subsidized Child Care Eligibility
- Pennsylvania Code, Title 55, Chapter 168 – Child Care
- DHS Approved ELRC grant
- ELRC Policy and Procedures Manual
- ELRC Provider Agreements

- ELRC Keystone STARS Grants and Awards
- Subgrants for Services
- Office of Child Development and Early Learning (OCDEL) Announcements (as applicable)
- OCDEL Communications (as applicable)
- ELRC Policy Communications
- ELRC Announcements
- All federal and state funding grant related information and documents pertaining to the COVID-19 pandemic.

IV. Audit Adjustments

Adjustments for unallowable costs should be properly disclosed in the Independent Accountant’s Report on Applying Agreed-Upon Procedures and disclosed on all applicable supplemental schedules. If a corresponding adjustment to the schedules was made, the report should so state. Audit findings must be specific as to the criteria upon which the adjustment is based, and the state fiscal period(s) affected, especially where questioned costs are involved.

Note: The ELRC is required to notify the assigned OCDEL Monitoring Program Representative of the time, date, and location of the pre-audit and post-audit conferences. Notification of this information may take place via phone or email to the ELRCs assigned OCDEL Program Representative.

Early Learning Resource Center (ELRC)

I. Program Objectives

The objectives of the ELRC are to manage the local child care program for subsidized child care, Child Care Works (CCW) and implement the Keystone STARS, quality rating and improvement initiative within a designated service region.

The ELRC accomplishes these objectives by providing the following services:

- **Eligibility Determination** – collect and evaluate individual family income documents, interpret, and apply regulations and policy to process applications and redeterminations, follow-up on missing documentation, determine eligibility, conduct face-to-face interviews, establish, and maintain child schedules for payment to providers, generate parent/provider notifications, maintain case files, process appeals and participate in appeal hearings.
- **Provider Payments** – invoice for services, review invoices, authorize payments, review, and monitor federal and state quality grants to ensure

appropriate and approvable expenditures are being made by providers, prepare payments by check or direct deposit and maintain fiscal accounting records.

- **Resource and Referral** – help parents locate and understand the benefits of quality child care, CCW and early learning programs, maintain current provider data information and perform online searches for parents.
- **Provider Management** – maintain provider agreements, collect and verify rate information, manage out-of-state provider certification, and process relative providers including initiating background checks, meeting face-to-face with providers, verifying documentation, and designating child care programs within the Keystone STARS Standards.
- **Funds Management** – create budgets and budget revisions, referrals to the Pennsylvania Office of State Inspector General (OSIG) for suspected fraud, determine and collect overpayments, provide final expenditure reporting, and fiscal year start-up and end information.
- **Support Grants** – target financial resources to early care and education providers. Historically OCDEL provided quality grants such as the Education and Retention award, the RISING STARS award and the MERIT grant award. For this audit year these quality grants were replaced with the following COVID-19 related federally and state funded grant initiatives:
 - Coronavirus Aid, Relief, and Economic Security (CARES);
 - Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA);
 - Pandemic Relief Award (PRA); and
 - CARES Act 24.
- **Infant and Toddler Pilot Project** – project intent is to provide contracted slots for infants and toddlers participating in Child Care Works (CCW) contracting with STAR 3 and STAR 4 programs, through the PA Pre-K Counts model, to serve infants and toddlers in high-quality settings. The goal of this project is to improve access to, and continued enrollment of, children 0-36 months in high-quality early care and education programs was supported by the results of Pennsylvania’s Infant/Toddler policy scan (a tool developed by Administration for Children and Families’ Office of Child Care).

II. Program Procedures

The ELRC manages the Child Care Works (CCW) subsidy program and the Keystone STARS quality program within their designated regional service area.

The ELRC grant agreement includes a fixed cost reimbursement, paid 1/12th monthly, for Administrative/Family Support Service costs (FSS).

The Service dollars to support CCW enrollments and Keystone STARS grants, and awards are paid via reimbursement based on monthly billing.

During the COVID-19 pandemic, from March 13, 2020 through September 1, 2020, the ELRCs continued to pay child care providers based on their CCW, Pre-K Counts, and Head Start State Supplemental Assistance Program enrollments. Payments were based on enrollments as of March 13, 2020, not based on the child's attendance. During this time, child absences did not count toward the annual 40-day limit. The ELRC did not suspend children due to the closing; but allowed all children to remain enrolled. Child care providers were not to collect the family co-pays for CCW during the period of the closure (Policy Communication CCW 18-#12).

The ELRC distributed federal and state funded support grants to eligible child care providers beginning in June 2020. Financial audit considerations of these grant funds will take place outside of the normal operating processes of the OCDEL Bureau of ELRC operations. These processes are not incorporated in these audit guidelines. Directions and guidance on ELRC requirements specific to the following federal and state support grant funds takes place by the OCDEL Bureau of ELRC Program Representatives directly to the ELRC Directors:

- Coronavirus Aid, Relief, and Economic Security (CARES);
- Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA);
- Pandemic Relief Award (PRA); and
- CARES Act 24.

The ELRC performs family eligibility evaluations, resource and referral services, determines eligibility, and authorizes services for subsidized child care, manages a waiting list of eligible families for whom insufficient funds or lack of openings precludes immediate placement, executes provider agreements and delivers provider payment and management services for subsidized child care services purchased with grant funds. The ELRC also must work with the County Assistance Office (CAO), Employment and Training contractors (E&T) and the OSIG.

Additionally, the ELRC manages the implementation of Keystone STARS, Pennsylvania's quality, rating and improvement system for child care and other early learning providers. In this capacity, the ELRC supports the recruitment, designation and movement through the Keystone STARS Performance Standards. In implementation of Keystone STARS, the ELRC ensures that designated child care providers maintain a full Certificate of Compliance, fulfill the Keystone STARS requirements for the level at which they are designated, manage funds to support quality at the program level, and ensure providers are not listed for State or Federal exclusion. III. Compliance Requirements and Suggested Audit Procedures

A. Types of Services Allowed or Unallowed

Compliance Requirement

Child care centers, group child care homes, family child care homes, relative providers, and in-home providers are service sites that may provide the following part or full day services on a daily rate basis for: Infant, Young Toddler, Older Toddler, Preschool, and School Age children. An enrollment summary must be issued by the ELRC for each service that is purchased under the terms of a provider agreement.

The provider must submit a monthly attendance invoice to the ELRC that reports the attendance of enrolled, eligible children. Payment to all providers, except for In-Home care, is based on enrollment. For In-Home care, payment is based on actual days attended. (ELRC Grant; ELRC Policy Announcement 18 #02 Updated Provider Agreements for Certified, Relative, and In-Home Child Care Providers, ELRC Policy and Procedures Manual)

Suggested Audit Procedures

Ensure that the ELRC has necessary procedures and control of the enrollment summary process in PELICAN Child Care Works (CCW).

Test payments to providers to ensure that a valid enrollment summary was in place.

Trace a sample of provider invoices submitted to the ELRC, to the provider's supporting documentation, to verify that the number of service days/attended days were properly reflected.

Trace a sample of payment summaries and actual provider payments, remitted to the provider, to the attendance invoice completed and submitted to the ELRC by the provider. Verify that the number of paid days (enrolled service days/attended days) were properly reflected.

Test a sample of In-Home providers to verify that the agreement involved is with the parent, and that the provider acknowledged the parent as the employer, and that the ELRC paid based on attended days (not enrolled days).

Suggested Audit Procedure for Temporary COVID-19 Policy

Effective March 13, 2020 through September 1, 2020 due to the COVID 19 pandemic, a temporary policy was implemented to pay providers for total CCW enrollments that were in place on March 13, 2020, without regard to child care operations or child's attendance.

The temporary policy expired on September 1, 2020. Verify that the ELRC made payments to child care providers based on enrollment as of March 13, 2020 for the time period of March 13, 2020 through September 1, 2020.

Compliance Requirement

The ELRC will provide all parents, upon request, with resource and referral service to legally operating facilities. (ELRC Policy and Procedures Manual)

Suggested Audit Procedures

Verify that the ELRC has performed the required functions and report any instances of noncompliance.

When the parent agency of the ELRC is also operating a child care facility, verify that there is not a conflict of interest in making referrals to eligible clients.

B. Eligibility – Low Income

Compliance Requirement

An initial determination of eligibility for Low Income families must be completed before service is provided. A full redetermination of eligibility must be completed once every twelve months (OCDEL Policy Communication #15-20 and #18-03).

Suggested Audit Procedure

Sample family files and verify that a current eligibility application form or a copy of the Application Summary page from PELICAN CCW is contained in each file.

This is only a check for the **presence** of the required material in the records and does not require auditor judgment as to the content of the material.

C. Eligibility – Former TANF

Compliance Requirement

An initial determination of eligibility for Former TANF individuals must be completed before service is provided. A full redetermination of eligibility must be completed once every twelve months (OCDEL Policy Communication #15-20).

Suggested Audit Procedure

Sample individual files and verify that a self-certification form, self-declaration form or application completed at the time of application is contained in each file.

This is only a check for the **presence** of the required material in the records and does not require auditor judgment as to the content of the material.

D. Child Care Enrollment Rules – TANF, SNAP and General Assistance (GA)/Work Support 2

Compliance Requirement

An initial determination/assessment of child care rules for TANF, SNAP and GA eligible individuals must be completed before service is provided. Eligibility for child care is determined in the Client Information System (CIS) by the County Assistance Office (CAO) prior to the child care rules assessment in the PELICAN CCW (PA Code, Title 55, Chapter 168 – Child Care).

Suggested Audit Procedure

Sample individual files and verify that the individual is eligible in CIS and that a current self-certification form is contained in each file.

This is only a check for the **presence** of the required material in the records and does not require auditor judgment as to the content of the material.

E. Matching, Level of Effort, and/or Earmarking Requirements

There are no matching requirements.

F. Reporting Requirements

Compliance Requirement

The ELRCs are required to submit the following reports:

ELRC CCW SERVICE Recap Worksheet for the Fiscal Year 2020-2021

ELRC SUBCONTRACTS Quality Recap Worksheet for the FY 2020-21

Infant Toddler Contracted Slots and Quality Subcontracts/Other are captured within the above Fiscal Year 2020-2021 recap. But, the following COVID-19 related quality support grants are **not** captured on the ELRC CCW Recap for Fiscal Year 2020-2021:

- Coronavirus Aid, Relief, and Economic Security (CARES);
- Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA);
- Pandemic Relief Award (PRA); and
- CARES Act 24.

Due to an extension on spending for the CARES Act 24 grant, a separate quality support grant recap will take place in January 2022 for the above four grants. A recap for this quality support funding will also be required for submission with the audit for the FYE 6-30-2022.

Use of forms or documents prescribed for use by the DHS, OCDEL such as the ELRC Grant, ELRC Policies and ELRC Communications and Announcements.

Suggested Audit Procedures (for the ELRC)

Verify that DHS-prescribed forms were used.

Obtain a full copy of the final ELRC Recaps for the 2020-2021 fiscal year and the supporting documentation.

NOTE: The final ELRC Recaps for the fiscal year 2020-2021 become the supplemental financial schedules for this Section.

The ELRC will use the partially pre-populated 2020-21 Recap Worksheets issued by OCDEL, as these have the dollar figures from each ELRC budget.

Trace data to the supporting documentation, such as worksheets, ledgers, and provider invoices.

Verify that initial ELRC Recaps were submitted to the DHS by the contractual deadline.

Assure that interest earned by the ELRC on Federal and State funds is included in the ELRC Recap as 'Other Income' and on the budget as an increase to the Service allocation.

Analyze the final ELRC Recap for the fiscal year to determine the accuracy of the summarization of those reports.

Verify all revenue, including supplemental payments – which can be received as late as December of the new fiscal year.

Assure that a new ELRC Recap Worksheet was submitted along with any revised budgets to the DHS following receipt of supplemental payments.

Inquire of management regarding adjustments to reported revenues and/or expenditures that were not reflected on reports submitted to the OCDEL.

G. Special Tests and Provisions

Compliance Requirement – Rate Documentation

The Converted Payment Rate (CPR) is calculated from the Private Pay Rate (PPR) entered by the provider online through Provider Self Service (PSS) or entered by the ELRC agency within PELICAN CCW. The PPR entered is the published rate that the provider location charges the general public for child care services.

Providers are paid the Subsidy Payment Rate which is the CPR or the DHS Maximum Child Care Allowance (MCCA) rate, whichever is lower. The MCCA applicable to the provider's location is based on the county where the provider location resides. For out-of-state providers and in-home enrollments, the MCCA is applicable to the eligible individual's location (county of residence). (ELRC Grant; ELRC Policy and Procedures Manual, Policy Announcement 18 #02 Updated Provider Agreements for Certified, Relative)

ELRC agencies will only convert private pay rates to CPR when:

- A new provider or location is established.
- An existing provider begins caring for a new care level.
- An existing provider begins operating with a new Tax ID.
- The Private Pay Rate is reduced below the MCCA or is already below the MCCA and the provider reduces it further.
- OCDEL allows a rate increase.

Suggested Audit Procedures

Test a sample of providers whose rates were paid by the ELRC. Test to ensure that the ELRC converted private pay rates correctly per the DHS guidelines above. Ensure that the ELRC entered the Provider's PPR into PELICAN CCW accurately by care level and unit of care and with the correct effective date.

Sample provider files for the presence of the provider's published rate sheet.

Compliance Requirement – Co-Payments

The ELRC will determine the amount of the fee to be paid by the parent/caretaker (p/c) for Low Income and Former TANF eligible individuals in accordance with procedures contained in the Pennsylvania Code, Title 55, Chapter 3041. The service costs are to be reduced by the fees collected. (55 PA Code §3041.101 - §3041.109; ELRC Grant; ELRC Policy and Procedures Manual)

The ELRC will determine the amount of the fee to be paid by the p/c for TANF eligible individuals participating in paid activities in accordance with procedures contained in the Pennsylvania Code, Title 55, Chapter 168. The service costs are to be reduced by the fees collected. (55 PA Code §168.20; ELRC Grant; ELRC Policy and Procedures Manual)

Note: Due to COVID-19, from March 13, 2020 through September 1, 2020, Child Care providers were not to collect the family co-pays for CCW. If a child attended the child care provider was allowed to collect the co-pay.

Suggested Audit Procedures

Analyze the ELRC's fee assessment, reporting procedures, and evaluate for conformity with applicable requirements.

Trace a sample of payment summaries and actual payments made to providers to verify that individuals were assessed for parent fees in

accordance with policy and regulations and are reflected in the payments made to providers.

**Compliance Requirement – Child Care Provider Closures
(Applicable from July 1, 2019 to March 12, 2020)**

In a normal operating year, the ELRC may not pay a regulated provider (center, family, or group) for more than 15 days of closure and may not pay a relative provider for any days of closure for any reason during a grant period. As detailed earlier in this document this requirement was waived from March 13, 2020 through September 1, 2020 due to the COVID-19 pandemic. (ELRC Grant; OCDEL Policy and Procedures Manual, Policy Announcement 18 #02 Updated Provider Agreements for Certified, Relative)

Suggested Audit Procedure

Analyze the ELRC’s provider payment procedures and determine whether there are controls in place to prevent payment for closures for any reason in excess of the limit referenced above. In addition, verify that communications from providers of emergency and/or additional future closures, within the 15-day maximum, were entered into PELICAN CCW.

Trace a sample of regulated providers’ listed closings within the provider files to the data entered into PELICAN CCW to validate that the number of paid closings were accurately entered. Trace a sample of relative provider data in PELICAN CCW to validate that there were no paid closings entered into PELICAN CCW.

Compliance Requirement – Interest-Bearing Accounts

Funds received under the ELRC grant must be deposited in an interest-bearing account. If ELRC funds are co-mingled with other funds in an interest-bearing account, the ELRC’s share of interest earned must be credited to the ELRC. The ELRC may use the earned interest income to increase services provided under the grant. Earned interest income cannot be used for FSS costs. All interest income not used for services must be returned to the DHS. (ELRC Grant, ELRC Policy and Procedures Manual)

Suggested Audit Procedures

Determine whether funding is held in an interest-bearing account and whether it is properly reported.

If funds are co-mingled in an interest-bearing account, determine whether the ELRC has been properly credited with its share of interest earned.

Verify that the interest income was not used for FSS costs.

Ascertain that the earned interest income was used to increase services provided under the grant or returned to the DHS.

Compliance Requirement – Property and Supplies

All property furnished by the Department or personal property acquired by the ELRC, including purchase by lease-purchase contract, for which the ELRC is to be reimbursed under this contract shall be deemed “Department Property”. The ELRC shall maintain and administer a program for the maintenance, repair, protection, preservation, and insurance of Department Property, as to assure its full availability and usefulness. Department Property shall be used only for the performance of this contract. (ELRC Grant, Addendum to Standard Contract Terms and Conditions)

Suggested Audit Procedures

Verify that the title to property acquired with grant funds rests with the Department and that a ledger of fixed assets purchased is maintained.

Verify that the property is used for ELRC purposes.

Compliance Requirement – Movement of Funds

The grantee may not move funds within its budget from the FSS portion of the budget to the service portion of the SAME budget without OCDEL approval.

OCDEL may instruct the grantee to adjust the total allocation amounts, effectively changing the total grant amount. These changes can occur at any time from the start of the grant period through October 31 following the end of the fiscal year.

Note: OCDEL may change service and FSS allocation amounts between August 31 and October 31 in order to reimburse statewide expenditures across all ELRC agencies. As a result, the ELRC agency may use available funds from any funding source to cover its expenditures. OCDEL will properly account for funds in the Commonwealth Accounting System after receipt of final Recap reports.

Suggested Audit Procedure

Verify that budgets were adjusted in order to provide enough allocations to cover the grantee's expenditures as reported on the ELRC Recap.

Verify that budgets were not adjusted after October 31 following the conclusion of the fiscal year.

Compliance Requirement – Service Child Care Works Subcontracts

The ELRC may enter into two types of service subcontracts: Special Populations and Transition to Parent Choice. Each has a funding limit and criteria that are specified in the ELRC grant. (ELRC Grant; ELRC Policy and Procedures Manual)

Suggested Audit Procedure

Verify that the conditions and limitations for subcontracting contained in the ELRC Grant and the ELRC Policy and Procedures Manual were met.

Compliance Requirement – Subrecipient Monitoring

If the ELRC subcontracts all or part of the ELRC function, the ELRC is responsible for ensuring the subgrantee ELRC adheres to the regulations and requirements of the program. The ELRC must require, through its agreement with the subgrantee(s), the inclusion of these audit guidelines as part of the subgrantee's audit process. (ELRC Grant)

Suggested Audit Procedure

If the ELRC subgrants all or part of the ELRC function, verify that the ELRC, through its agreement with its subgrantee(s), included reference to these Audit Guidelines as they relate to the subgrantee's audit.

V. Supplemental Financial Information

A. Supplemental Financial Schedules

1. The required supplemental financial schedules for this program consist of the revised version of the Recaps, which include the ELRC components, for the fiscal year-end June 30 listed below:

- ELRC CCW SERVICE Recap Worksheet for the Fiscal Year 2020-2021

- ELRC SUBCONTRACTS Quality Recap Worksheet for the FY 2020-21

An Independent Accountant’s Report on Applying Agreed-Upon Procedures should accompany the ELRC Recap supplemental financial schedules, unless included in the Auditor’s Report on Supplemental Information. The format for these reports is included in Appendix I.

2. All organizations that are submitting a single audit in accordance with 2 CFR Part 200, Subpart F, are also required to include in their single audit reporting package a Reconciliation supplemental financial schedule, which is to be subjected to an Agreed-Upon Procedures engagement. The Reconciliation schedule, for which an example is included in Appendix II, is a reconciliation of the expenditures listed on the Schedule of Expenditures of Federal Awards (SEFA) to the Federal award income received from the Pennsylvania Department of Human Services (DHS), as noted in the revenue confirmation received from the Commonwealth of Pennsylvania.

- Reconciliation Supplemental Schedule

VI. General Information

Record Retention

The DHS follows 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). However, the Uniform Guidance also requires records to be retained longer in the case of litigation, claims, and/or audit findings. For these reasons, records should be retained until litigation, claims, and/or audit findings are resolved/settled and final action has been taken.

Audit Report Due Dates

Audit reports required by the Uniform Guidance are to be submitted within nine months following the end of the audited period/fiscal year. For entities with the following year ends the submission dates are as follows (example):

<u>Audit Period Ended</u>	<u>Report Submission Due Date</u>
June 30, 2021	March 31, 2022
December 31, 2021	September 30, 2022

Report Submission

The ELRC must submit an electronic copy of the single audit report package to the Federal Audit Clearinghouse (FAC). The ELRC must then email the FAC confirmation of receipt, the certified copy of the data collection form, and the Single Audit/Program-Specific Audit Reporting Package Checklist to RA-BAFMSingleAudit@pa.gov

Auditees are **not** to e-mail their single audit reports directly to BAFM but must upload their reports to the FAC website for BAFM to retrieve.

The audit package should include:

- The financial audit report;
- The single audit report;
- Any applicable Corrective Action Plan (when findings were issued.);
- The DHS required supplemental financial schedules and corresponding Independent Accountant's Report on Applying Agreed-Upon Procedures (Appendix I and Appendix II) and any contract-required schedules;
- Data Collection Form; and
- Management Letter, if issued.

Please refer to the Office of the Budget, Bureau of Accounting and Financial Management (BAFM) instructions for single audit report submission at:

<http://www.budget.pa.gov/Services/ForGranteesAndSubrecipients/Pages/SingleAuditSubmissions.aspx>

Requests for Confirmation

The Office of the Budget, Comptroller Operations processes a wide variety of requests for confirmation and has a special unit for this purpose. Such requests should always include the number of the contract/grant in question as well as the name of the program as it is used at the state level. Cut-off methodology and dates also vary; therefore, requests should include a list of the amounts to be confirmed, along with the total of the payments in question. Blanket requests for confirmation that do not contain the elements referenced above are discouraged.

Confirmation requests should be e-mailed to:

RA-AuditConfirmation@pa.gov

Confirmations requests regarding PROMISE payments only should be e-mailed to:

RA-QAPromiseConf@pa.gov

APPENDIX I: Reporting

EARLY LEARNING RESOURCE CENTER (ELRC) RECAP SUPPLEMENTAL FINANCIAL SCHEDULE

ATTENTION: The information contained below is for Government Operated, Non-profit, and For-profit Early Learning Resource Center (ELRC) agencies that contract directly with the Department of Human Services (DHS). However, these guidelines are also applicable if the ELRC subcontracts all or part of the ELRC function.

ELRC RECAP SUPPLEMENTAL FINANCIAL SCHEDULES

Introduction

NOTE: The submission of information related to Appendix I is not affected by the issuance of 2 CFR Part 200, Subpart F. Please review the Audit Clause contained in the ELRC contract to determine whether a Single Audit or Program Specific (Yellow-book) audit is required.

There are several reasons for requiring the ELRC Recap supplemental financial schedules and the corresponding Independent Accountant's Report on Applying Agreed-Upon Procedures including: timing, varying bases of program accounting, and the level of audit work required. Even though the fiscal year used by many entities for financial reporting purposes ends on June 30, some entities have alternate fiscal year end dates. For this reason, those entities are required to submit expenditure reports and grant/contract-specific information based upon the Commonwealth's July 1 to June 30 fiscal year (or other program periods, such as the October 1 to September 30 federal fiscal year, when required). Both the single audit and applicable supplemental schedules must be submitted in accordance with the Office of the Budget, Bureau of Accounting and Financial Management's requirements.

As is the case with other financial statements, management (the auditee) is responsible for the preparation of the required supplemental financial schedules. The auditor is asked to perform certain procedures on the schedules and incorporate all such schedules into the Audit package using the Independent Accountant's Report on Applying Agreed-Upon Procedures.

Schedules

The ELRC RECAP WORKSHEETS are the supplemental financial schedules required from all ELRC providers. These schedules are used in completing program settlement.

- ELRC CCW SERVICE Recap Worksheet for the Fiscal Year 2020-2021
- ELRC SUBCONTRACTS Quality Recap Worksheet for the FY 2020-21

Independent Accountant's Report on Applying Agreed-Upon Procedures

An Independent Accountant's Report on Applying Agreed-Upon Procedures (AUP) must be submitted with the ELRC Recaps referenced above and is considered an integral part of the audit package. The AUP must be submitted regardless of the fiscal year of the auditee. The procedures are provided below. This engagement should be performed in accordance with AICPA Statement on Standards for Attestation Engagements No.10, Agreed-Upon Procedures Engagements, as amended (AT §201). **The issuance of this report in no way absolves the auditor from his/her responsibility to disclose financial errors and/or compliance deficiencies or fraud. The standards pertaining to adequate disclosure still apply to this engagement.**

The procedures are to: (a) verify by comparison of the amounts and classifications to ensure that the schedule has been accurately compiled and reflects the audited books and records of the auditee and is at the requested level of detail; (b) inquire of management regarding adjustments to revenues and/or expenditures; (c) provide a detailed listing of the necessary adjustments and/or findings affecting the schedule(s).

Audit Adjustments/Findings

Because many of the audits received by DHS are conducted on a fiscal period other than that required for the supplemental information, **it is very important that all adjustments be properly disclosed in the AUP and disclosed on the supplemental schedule.** If corresponding adjustments to the schedule have been made, the report should so state. Audit findings must be specific as to identify the fiscal period(s) affected, especially where questioned costs are involved.

Content of the ELRC Recaps

The ELRC will use the partially pre-populated 2020-21 Recap Worksheets issued by OCDEL. These documents include dollar figures from each ELRC CCW Budget. (xlsx samples are included on the subsequent pages.)

The information contained in these schedules should include the results of the auditor's inquiries and the audit work performed. **It is not to be routinely submitted as previously reported by the auditee.** However, in cases where there are no adjustments, a provider-prepared schedule that has been amended to include a specific cross-reference to the AUP is acceptable.

Interest income earned on DHS funds must be reflected on the applicable supplemental financial schedule.

APPENDIX II: Reporting

RECONCILIATION SUPPLEMENTAL FINANCIAL SCHEDULE

ATTENTION: The information contained below is for Government Operated, Non-profit, and For-profit Early Learning Resource Center (ELRC) agencies that contract directly with the Department of Human Services (DHS) and are submitting a single audit in accordance with 2 CFR Part 200, Subpart F, or Title 45, CFR 75.501(i), as appropriate. However, these guidelines are also applicable if the ELRC subcontracts all or part of the ELRC function.

RECONCILIATION SUPPLEMENTAL FINANCIAL SCHEDULE

Introduction

NOTE: The submission of information related to Appendix II is not affected by the issuance of 2 CFR Part 200, Subpart F. Please review the Audit Clause contained in the ELRC contract to determine whether a Single Audit or Program Specific (Yellow-book) audit is required.

All ELRC Agencies who are submitting a single audit in accordance with 2 CFR Part 200, Subpart F are also required to include in their single audit reporting package a supplemental schedule, which is to be subjected to an Agreed-Upon Procedures engagement. The schedule, for which an example is included in this Appendix, is a reconciliation of the expenditures listed on the Schedule of Expenditures of Federal Awards (SEFA) to the Federal award income received from the Pennsylvania Department of Human Services (DHS), as noted in the revenue confirmation received from the Commonwealth of Pennsylvania. The procedures to be performed on the reconciliation schedule are as follows:

- (a) Agree the expenditure amounts listed on the reconciliation schedule under the “Federal Expenditures per the SEFA” column C to the audited Schedule of Expenditures of Federal Awards (SEFA).
- (b) Agree the receipt amounts listed on the reconciliation schedule under the “Federal Awards Received per the audit confirmation reply from Pennsylvania” column D to the subrecipient Federal amounts that were reflected in the audit confirmation reply from the Office of Budget, Comptroller Operations.
- (c) Recalculate the amounts listed under the “Difference” column E and the “% Difference” column F.

- (d) Agree the amounts listed under the “Difference” column E to the audited books and records of the ELRC Agency.
- (e) Agree the “Detailed Explanation of the Differences” to the audited books and records of the ELRC Agency.
- (f) Based on the procedures detailed in paragraphs (a) through (e) above, disclose any adjustments and/or findings which have not been reflected on the corresponding schedules. (List each separately.)

As is the case with other financial statements, management (the auditee) is responsible for the preparation of the required supplemental financial schedules. The auditor is asked to perform certain procedures on these schedules and incorporate all such schedules into the Audit package using the Independent Accountant’s Report on Applying Agreed-Upon Procedures.
